

ARZET TEAM Backpack Drive!

Berkshire Hathaway Home Services Georgia Properties East Cobb office, home base of the Rick Arzet Church Marketing Team, has partnered with Rick in the 2015 Backpack Drive. In conjunction with Greater Works Assembly, led by Apostle Darryl Winston, the drive supplies Atlanta Public School kids with backpacks and supplies. This is the third year and the drive has become an annual tradition of the ongoing effort to assist the schools and students, particularly those of limited means. This year we are pleased to announce that we collected in excess of 40 (packed) backpacks and over \$400 additional in supplies!
