

SPECIAL OFFER for your Berkshire Hathaway HomeServices Georgia Properties Home Buyers

Order an HSASM Home Warranty
for your clients and they
can get a free Total Protection
System from SimpliSafeTM.

HSA already helps homeowners with their home warranty needs and additional home services. And now, for a limited time, we're also offering this promotion to your clients.

How it works

- 1 Order a home warranty through your dedicated concierge team or online at own.onlinehsa.com.

Note: an email address for the home buyer will be required.

- 2 When funds are received for the home warranty, the home buyer will receive an email from HSA with the discount code for the Total Protection System.

- 3 Customers can order their product at simplisafe.com/total-protection-system using the discount code they received via email.

***Your clients can take advantage of this limited time offer through April 30, 2020.**

For more information, contact your dedicated concierge team at HSA.Concierge@onlinehsa.net or by calling **855.424.9611**.
