

HSASM Home Warranty management made simple with the OWN portal.

Get 24/7 online access to HSA with the Online Warranty Network

At HSA, we know you're a dedicated real estate professional with many clients, appointments and decisions to consider. That's why we've created **OWN (Online Warranty Network)**, our online portal that lets you securely enroll and manage home warranty plans on your schedule.

This convenient home warranty management tool saves you time while allowing you to:

- Enter a new home warranty application
- Add and edit closing information
- View listing summaries
- Manage email preferences
- Cancel a listing
- Pay with a credit card or ACH
- Extend an expiring order
- Simplify multiple warranty ordering
- Download applications and marketing materials
- View special offers
- Review and update customer information
- Change customer plans and place service requests
- Email order confirmations and escrow information
- Avoid waiting periods for office administrators after registration

Easily manage your HSA warranties from your computer or mobile device –
CREATE AN OWN ACCOUNT TODAY AT: own.onlinehsa.com

With **OWN**, you can complete numerous important tasks at your convenience – no phone calls required. Plus, you can receive proactive alerts that notify you about expiring listings, simplified warranty ordering for multiple orders and more!
