On behalf of the Coaching and Training Department , we want to thank you for attending over 150 Zoom training sessions over the last 18 weeks!

We hope that you have taken the steps necessary to ensure that your business is running at full steam as we transition into the late Summer and Fall selling season. Congratulations to our agents who attended our sessions, started their success stories and continued to function as essential in Real Estate. The month of August will be a transition for us as we move towards more CE classes, and look at scheduling one-on-one sessions with agents in person. An August training monthly calendar will come out later this week.
