You are invited

As Dan Forsman shared at our recent Chairman's Circle Town hall, you are invited to participate in a small group of Berkshire Hathaway HomeServices Georgia Properties sales associates who have been active users of the Jonny On It mobile app and/or have experience with other concierge type programs that offer home enhancements and improvements with financing options.

THIS SESSION WILL COVER

- 1. How the program is designed to provide cosmetic home improvements to enhance marketability.**
- 2. Details on the zero interest financing to sellers. Repayment due at closing.**
- 3. Explain how the mobile app technology coupled with a live APEX Concierge will coordinate approved improvements.**
- 4. Share that licensed & insured contractors will be identified to perform the improvements.**
- 5. Discuss how APEX will help you and your clients sell their homes in top condition, with less stress and for maximum value.**
- 6. Our company plan to launch, goals, and next steps.**

Your involvement in this exclusive pilot is greatly appreciated. We value your feedback as we test this program on upcoming eligible listings.
