

COMING SOON:

PRODUCT AND PRICE CHANGES

Change is part of everyday life for real estate professionals like you. Markets fluctuate, housing costs rise, inventories vary, and more. Similarly, repairing and replacing household systems and appliances continues to grow more expensive, complicated, and time-consuming. Because of this, we're making a few changes to keep up, and are adjusting our prices for the first time in over five years.

BEGINNING September 15th, 2022:

These areas will be gaining roof leak coverage and several items in the base plan (many of which are covered for sellers), as well as the refrigerator will now be covered for sellers. You will see the refrigerator ice maker/beverage dispenser coverage move from the base plan to the 7-Star Upgrade and water heater expansion tanks will no longer be covered.

Base Plan Changes:

- Added humidifier
- Added burglar/fire alarms
- Moved refrigerator ice maker/beverage dispenser to 7-Star Upgrade
- Added Roof Leak coverage (no longer available for mobile homes)

7-Star Changes:

- Removed water heater expansion tank
- Moved refrigerator ice maker/beverage dispenser to 7-Star Upgrade

Seller Changes:

- Added humidifier
- Added lighting fixtures, central vacuum, burglar/fire alarms, doorbells
- Added refrigerator

Optional Coverage Changes:

- Combined well pump/septic system into 1 combined optional coverage
- Added electronic air cleaner

You and your clients deserve the best — and we deliver. Our purchasing power and network of service providers continue to be valuable resources that can help save your clients money and hassle. Plus, we invest in innovative products and technology every single day so that we remain a leader in providing helpful home solutions to both home buyers and sellers.

Thank you for your continued support and for trusting us to serve you and your clients.
