

The Tucson Pedaler is bringing this movie and the director/producer to Tucson for one week to do presentations at local middle and high schools.

With My Own Two Wheels will be shown at 6 p.m., on Wednesday, Nov. 16, at the Fox Theater with a Q&A with the director following the movie.

For many Americans, the bicycle is a choice. An expensive toy. An eco-conscious mode of transportation. For countless others across the globe, it is much more.

For Fred, a health worker in Zambia, the bicycle is a means of reaching twice as many patients. For Bharati, a teenager in India, it provides access to education.

With My Own Two Wheels weaves together the experiences of these five individuals into a single story about how the bicycle can change the world—one pedal stroke at a time.

A portion of the proceeds will benefit World Bike Relief and BICAS and help underwrite the cost of bringing the movie to local schools

Tickets are \$8/adults, \$6/seniors, students and military, kids 12 and under are free.
