

# Agent Content Submissions

Thank you all so much for your interest in helping out! I promise this will benefit you just as much!!

My goal is to give our agents some topics to work on and submit to Whitney / Desaray for blog posts/facebook posts, etc. You are welcome to submit short videos from your cell phones, selfies, photos, essays, opinions/editorials, audio, ANYTHING PRETTY MUCH!

**I'd REALLY REALLY LOVE to see some of the following options.**

1. How & Where you celebrated Fourth of July
2. If you attend community events! (Lakeside Live, Southland Jamboree, Night Market, Thursday Night Live, etc.) Especially if you go with another agent and hang out! But even in general, we want to see the community!!
3. Farmer's Market hauls!
4. Charity / Service Projects
5. Open Houses! We want pictures of YOU with a directional sign or yard sign, or hanging out in the home with your open house drawing cards.
6. Working Hard! A selfie of you or you and some other agents working in the office/ conference room / homeroom / etc.
7. How does Rector Hayden allow you to better serve your clients?
8. General Photos of your communities – murals, parks, the sky, horses, why you love Central Kentucky (Whitney can even send these or share them with Leading Real Estate Companies of the World, too!)
9. Did you attend any RHR events? How was the Sales Meeting, was it beneficial? How about Tech Training or Focus Group? Maybe you attended a REALTOR Open House!
10. Closings, satisfied clients, a video testimony?!

If you provide us with content - and Keith, Des, or Whitney use it - they will tag you accordingly wherever it is posted. Either to your professional account on that network or with your name and phone number! I cannot guarantee every submission will be used – however know that I couldn't be more thankful for such a wonderfully supportive group to work for. I will miss you all for the next few weeks and already can't wait to be back!!!!
