Leslie was a pleasure to work with, she was knowledgeable, honest and got me a great offer within weeks of listing my home! Highly recommend ???? She took care of showing and closing details professionally and made the process as painless as possible.

We worked with Leslie to purchase our first home about a year after we moved to Charlotte. She spent several months with us, driving around and just looking at houses and very quickly helped us figure out what we wanted. Over this time, we developed a great relationship with her. She was open and honest with us about all of the houses we looked at, and at no point in time did we feel any pressure to make offers or speed up our buying process. Once we decided to make an offer, Leslie's key strengths kicked in-- she is VERY organized and a tough negotiator.

Almost 2 years later, we are still in regular touch with Leslie and trust her opinion and judgement as a real estate professional. We also consider her a friend. When we decide to sell, there's no question about who we will call. Less ^

Leslie has assisted us in the sale and purchase of our last three homes...she is the consummate professional with extensive knowledge of the Charlotte area housing market and the nuances of each area. Marketing for each home was masterfully handled and she was in constant communication with us throughout the entire process including the purchase and negotiation of our new homes. Would highly recommend Leslie to other buyers and sellers. Less ^
